SOURCES: Despard Diaries, Parliamentary Records, Trinity Dublin Records*

HD/LD/JD/WD and WD Coolbally were probably born circa 1650

Were HD, LD, JD and WD brothers or cousins?

** Trinity records show a WD as the son of Henry D (but borne 1673) – Parliamentary records show him as William D's son – JD had the Bantry interest and this passed to WD of Killaghy, seemingly John's nephew
